"Teacher of the Year"

N-MUSD Teachers of the Year

October 9, 2009

Please take a minute and reflect on the wonderful teachers who bring learning alive in the classroom. Let us know about those teachers in the space below as we begin our annual recognition program of exemplary teachers. A Teacher of the Year will be selected from each school site. In addition, Teachers of the Year representing elementary and secondary schools will be selected to participate in the annual Orange County Teacher of the Year competition.

Please consider nominating teachers for this prestigious award. Teachers may nominate fellow teachers or themselves for Teachers of the Year. You may nominate teachers from other sites and you may also nominate more than one teacher.

Applicants will be judged on the following:

- Exemplary teaching skills
- Evidence of student learning
- School leadership and collegial support
- Impact on community and public education
- Professional integrity and ethics

To nominate teachers, fill out and return the form below to the Newport-Mesa Federation of Teachers. Teachers nominated will be contacted to complete the application process.

The deadline to return this form is Tuesday, November 10, 2009.

Mail to N-MFT via inter-district mail or U.S. mail at 2900 Bristol Street, Suite C-107, Costa Mesa, CA 92626
